

October 8, 2018

Dear Club Families,

We hope that you are on the road to recovery from Hurricane Florence. We have been thrilled to be able to serve your children during this trying time. Our main priority was to open and serve as quickly as possible so that our Club could provide your child with a structured, safe, and uplifting haven during the storm's aftermath.

During this post-hurricane time, we made the organizational decision to open our doors beginning September 25th for full day camps (7:30am-6:00pm), including two hot meals per day, structured activities, and caring adult mentoring, all at no additional cost to families. In addition, we opened our doors to all members of the community, so that all children could have access to our services.

In another effort to assist you during this time, we are discounting our September program fees by 50%. The detailed information on program fees:

- September fees will be discounted from \$100 to \$50 for the month
- October program fees will remain the same
- For parents that have already paid for September, discount will be applied to their account and be reflected in the October total payment
- For parents that have NOT paid for September, the discount will be applied once payment has been received
- All late fees for the months of September and October have been waived
- Refunds will not be issued
- All payments due (September, October or both), are due no later than October 31st
- If outstanding payments are not paid by October 31st, your child's membership will be suspended and said child cannot attend after-school program until payment is made

If you have any questions on payments, please contact membership@brigadebgc.org or call 910-392-0747 ext. 111.

We were honored to be able to serve your child and our community during this time and look forward to continuing to serve them during the school year.

Sincerely,
Brigade Boys & Girls Club
